1. Between 1230 and 1530 on 22 August 1955, no aircraft or Soviet personnel were seen at Aspern airfield. There was a 3/10 overcast and still air. three to four aircraft apparently took off in the morning of the same day. Four to 5 civilians, presumably Austrians, 2 VW delivery cars, 1 VW sedan, and 1 Fiat 1100 sedan were observed at the runway. It appeared that the civilians were checking the condition of the runway.

Comment. Aspern airfield has been evacuated by flying personnel.
